

CLASS IV SUMMER HOLIDAYS HOMEWORK 2022-23

Summer Vacations are at our doorsteps. Holidays are a well-deserved opportunity to relax and rewind by indulging in activities that are pleasurable at the same time educative.

Summer Holidays Homework is an initiative on our part, to inculcate innovativeness, creativity and interest in the tasks assigned to our students. It will not only enable them to recapitulate what was taught but will also help them to connect themselves to the various learning processes.

GENERAL INSTRUCTIONS

- All the work should be hand-written.
- Original drawings / illustrations and creative use of material will be appreciated.
- Present your work on A-4 size sheets and put it in an attractive folder with your name and class clearly written at the top.

The work will be evaluated for all the subjects on the following parameters.

1. Idea and content
2. Presentation
3. Ability to answer the questions
4. Innovativeness.
5. Creativity.

"Integrity is doing the right thing even when no one is watching." - C.S. Lewis

Explore Learn Create

Learn to say some common phrases or sentences in Spanish, French, and German and share them with your class on the first day of the school.

Ex: Most common greetings in Spanish are:

Hola – Hello. Buenas – Hi (informal)

Buenos días – Good morning.

Buenas tardes – Good afternoon.

Buenas noches – Good evening.

Bienvenido – Welcome.

"Selfless giving is the art of living."

Be a helping hand to your family by cleaning your room, dusting, serving water to guests, etc. Write your reflections about your feelings, tangible or intangible rewards that you received etc.

Who doesn't like Mangoes?!

Learn more about mangoes, their history, and varieties. Make a scrap book by pasting pictures of different varieties and compare the prices.

Also mention any other fruits or drinks that are beneficial during the summers.

15th of May is celebrated as Family day. Enjoy 'Crazy Family Time'

– play games, mimic others, do goofy things, have video calls with extended family, revisit old times by flipping albums. Share your experience with your class on the first day of school.

Journal Writing!

What if you decide to visit another city / a village / your native place / a summer camp or your friend or a cousin visiting you? Write a journal on how would you spend your time/days? Write on an A4 size sheet or a notebook.

You can use the following prompts (*I feel that..., *I believe that..., *The one thing I liked..., *The funniest thing...etc.)

Book Wizards!

Read Newspapers or magazines or e-articles and collect any three articles related to the current theme and circle any three grammar elements in the given color codes: Proper nouns (**red**), Common nouns (**blue**), Abstract nouns (**green**) and Collective nouns (yellow).

Agro-entrepreneur

5th June is celebrated as 'World Environment Day' every year. Try hydroponics: the process of growing plants in a watery solution at home.

Did you hug your recycle bin today?

Rummage through your recycle bin! Look at your home and see how waste is used productively in the kitchen / utility / balcony / other rooms. Take a photograph and write your reflection on an A4 sheet.

“I pack my own bag!”

Pack a small suitcase for a holiday to any place of your choice. How many clothes can you fit inside? Does it make it easier if you fold them first? What creases easily and what doesn't? What materials fold and pack easily? What would you need to pack for a pet? (Ex. Dog, cat, hamster, etc.) Were you organized or disorganized? Reflect your understanding on an A4 sheet.

‘Show & Tell’ at School with the help of a shoe box or any handy carton box.

Challenge your Dance Sir!

Choreograph a dance which is energetic, graceful and meaningful from the links given below and upload it in the Padlet.

When we plant trees, we plant the seeds of peace and hope!

Let your thoughts flow on any one of the given topics in your 2nd language. (Instructions given below)

Mathematics is not all about numbers, equations, computations, or algorithms: it is about UNDERSTANDING – Joseph Fourier
Verify your skills with the practice sheet given below.

Helping the feathered friends in summer.

From leaving a bowl of water on the windowsills to meticulously creating a bird-zone in your compounds, be a bird lover by taking small thoughtful measures to help out the avian friends this summer.

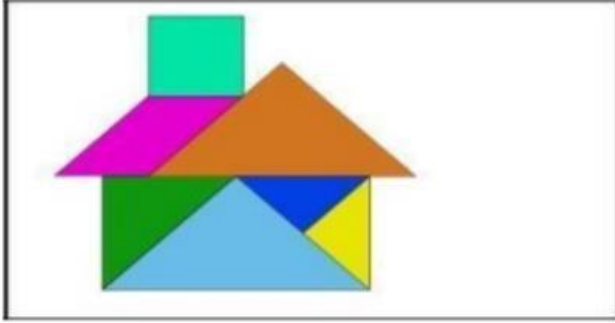

“He who feeds a hungry animal feeds his own soul”.

Community animals have the right to food and it's the responsibility of the citizens to feed them. Be a helping hand to your fellow living beings.

MATHEMATICS

- Make different models using tangrams and paste it on an A-4 size colored sheet.

- Choose any 6-digits of your choice (from 0 to 9), form five greatest and five smallest 6-digit numbers and write these numbers so formed in your notebook.
- Learn multiplication tables till 20. Make a checklist of your recitation during bed time.

I LANGUAGE

Telugu -

1. మీరు నాటిన మొక్కను మీరు ఎలా సంరక్షిస్తారు? A4 సైజు పేపరు పై చిత్రాన్ని గీసి, రంగులు వేసి, మొక్కను పెంచేటప్పుడు తీసుకోవలసిన జాగ్రత్తలను గురించి 120 పదాలు వివరంగా వ్రాయండి.

లేదా

2. మనం ఏ యే మొక్కలను/చెట్లను పూజిస్తాము? ఒక మొక్క/చెట్టు చిత్రాన్ని A4 సైజు పేపరు పై గీసి, రంగులు వేసి ఆ మొక్క/చెట్టు గురించి 120 పదాలు వివరంగా వ్రాయండి.
